Users may opt-out of receiving future mailings; see the choice/opt-out section of this policy. Unique identifiers (such as birthdays) are collected from Web site visitors to verify the user's identity, for use as reference numbers in our record system, and for other purposes. Demographic and profile data is also collected at our site. This information is shared with advertisers on an aggregate basis. We use or plan to use this data to tailor our visitor's experience at our site showing them content that we think they might be interested in, and displaying the content according to their preferences.
